Subject: Request for Assignment Extension

Respected Sir,

This to formally request you for an extension for the upcoming assignment due on 28 March 2026 in Biochemistry class. Unfortunately I have been sick with food poisoning, which has made it hard for me to complete my project.

I would like to continue to maintain my quality of work and hence will need 3 days extra to complete the project.

I apologize for any inconvenience this may cause and truly appreciate your understanding.

Thank you for your time and support.

Sincerely,
